Sub: Call Letter for Conference Proceedings -IJONS- Special Issue/Edition -Reg.

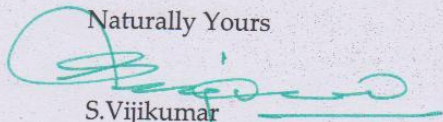

Respected Sir /Madam

It is indeed a pleasure to announce you, with a mission to disseminate scientific knowledge; our journal welcomes seminar/ conferences to publish their proceedings with us. The conference organizers should provide the manuscripts as according to the template of journal in .docx format only to the Journal Editor. The manuscripts must be categorized according to the topics addressed by them and also requested to submit the review comments and the list of reviewers with the set of manuscripts. After approval of the conference by the IJONS, we'll notify the organizers via email/phone. Please make sure to follow the instructions as per journal guidelines:

- All the papers should be in proper and required format. Please download the instruction to authors from the download section of journal web page.
- Make sure to provide the Journal's website link on your conference website, if any, specifying our journal as technical co-sponsor.
- Make sure to provide our journal details on conference leaflet, poster or brochure.
- Make sure to use our journal's logo on your website, you can download it from our website.
- Conferences interested to publish their selected manuscripts with Indian Journal of Natural Sciences (IJONS) are requested to use the copyright and agreement forms provided in the website. Compliance with the documents is a necessity for publication in IJONS.

Thanking you

Naturally Yours

  
S. Vijikumar  
Editor - in - Chief (IJONS)
